## **BE NICE TO YOUR SEPTIC SYSTEM AND HELP AVOID BACKUPS**

Morehead Park has a septic waste water disposal system. We are not connected to the city's waste water sewer system. Everything that you flush down the toilet has to go somewhere....please use the following guidelines and help keep our septic tanks flowing.

Do not dispose of anything in your toilet other than biodegradable toilet paper.

Do not flush:

Female hygiene products

Paper towels

Rags

Foreign objects of any description

Grease or oil

By taking the time to dispose of these harmful agents in your trash, you will help us avoid backups in the septic system.
